The college participates in the AACTE Holmes Scholars Program as a member institution of the American Association of Colleges for Teacher Education (AACTE). The Holmes Scholars Program supports students who self-identify as racially and ethnically diverse and are pursuing doctoral degrees in education. The program provides mentorship, scholarship, professional development, and networking opportunities for those interested in obtaining academic positions upon graduation. The 2023-24 class of Holmes Scholars includes:

5 R G P D Q 6 F K R O D U V

The Rodman Special Education Cohort Program is an intensive one-year program in which undergraduate special education majors can complete their Bachelor of Science degree and be licensed as generalist special educators. This year's scholars include:
