## REPEAT POLICY

Students may retake a CSN course as often as needed to gain a better grade and, thereby, a higher grade point average. Only the highest grade received will count as part of the total CSN grade point average. All repeated courses taken at CSN will remain as permanent academic record.

\*PLEASE NOTE: While CSN accepts the BEST grade, UNLV accepts the LAST grade.

To improve GPA and change the original grade the course must be repeated at the institution that it was completed. For example, if a student takes MATH 124 at CSN and receives an F the course must be repeated at CSN to replace the grade and improve the GPA.

## REVERSE TRANSFER

Students who have earned 15 or more credits at CSN and have transferred to a four-year

four-

This process makes it possible for

bachelor's degree.

**NOTE:** Some courses that fulfill specific general education requirements at CSN may fulfill different general education requirements at UNLV. Please see a UNLV/CSN Transfer Program Advisor to confirm your choices.
