

UNLV

As a measure of overall university effectiveness and progress, UNLV prepares and disseminates an annual progress card that connects select metrics to our overall mission, helping us evaluate our success as institution focused on students, research, and community. Complete metrics for each core area are provided on the Top Tier 2.0 website.

MISSION

As a minority-serving institution rich with diversity and committed to equity, UNLV:

- provides access to world class educational experiences that are responsive to the needs of our students and stakeholders;
- engages in groundbreaking research, scholarship, professional, and creative activities that have impact and cross boundaries; and
- offers high value, cutting-edge interdisciplinary physical and mental health care to support our community.

We create value for the individuals and communities we serve by fostering a climate of innovation, stimulating economic diversification and workforce development, promoting social justice and inclusion of all voices, and enriching cultural vitality.
