*Please check one of the following:

____, I understand the minimum GPA requirement of a 2.0. I will be removed from the current semester. If the requirements are not met at this time, I will lose the advanced standing status until I have met the requirements.

____ I have met all requirements for advanced standing

*Please note if you do not meet the minimum GPA requirement of a 2.0, you will need to attach an explanation why you currently do not meet the minimum GPA requirement and your plan to increase your GPA. In addition, you must meet with the department chair for a discussion with the Advising Center.

Faculty mentoring is required prior to applying for advanced standing. One component of this mentoring is a review of your semester-by-semester graduation plan. If you do not have a recently updated plan that you have created and reviewed with your academic advisor you will need to schedule an appointment with your academic advisor to create the graduation plan before you will be able to meet with your faculty mentor for advanced standing approval.

This form will not be accepted by the Engineering Advising Center without the signed Faculty Mentoring form attached.
