

UNLV FACILITIES MANAGEMENT NEWSLETTER

AVP Greeting

Dear FM Family,

Happy Chinese New Year!

I am happy that Heather Ortiz, Business Affairs Director of Communications, opened the recent Business Affairs All Staff Meeting with this greeting. It also brought a smile to my face as I reflected on a small fact you may not know: That in the early 1980s, my dad established one of the first Chinese restaurants in Northern Nigeria. Accompanying my mom and one of my brothers on a trip to Hong Kong in advance of the opening remains

February also brought a phenomenon with little likely precedent in UNLV FM: We began the month with over 60 job vacancies in the department (over 20% of our budgeted positions), but thanks to the hard work and dedication of many, the first wave of new hires into, and promotions within our Facilities Management family took place. Please take some time to look at the names and positions in the newsletter and please join our UNLV leadership, Business affairs leadership, and the FM leadership team in congratulating everyone who was promoted this month, and in welcoming our new FM members. My deepest gratitude to everyone who helped source candidates, referred friends, family members, or former colleagues, served on search committees, and so on.

I will wait to congratulate you in person at your unit(s) and listen to how I can support you. Learning and Development will continue to be a strong focus area for us, so count on it. Help is on the way!

Let me close with one more note of recognition. Uber congratulations to Christopher West, Administrative Assistant 3 with our Shadow Lane Campus FM team, on being named a 2021 Business Affairs Employee of the Year! With over 500 staff in the division, it is truly a big deal and a well-deserved accomplishment.

Chinese New Year ò February 1st

Happy Chinese New Year! Chinese New Year is the festival that celebrates the beginning of a new year on the traditional Lunisolar and Solar Chinese Calendar. It is one of the most important celebrations of the year among East and Southeast Asian cultures (including Chinese, Vietnamese, and Korean Communities). This celebration lasts 16 days and this year is the year of the Tiger! It is said that those born this year tend to have great interpersonal relationships and be very family oriented.
